Hosted By Arbitration Place Virtual

## **International Centre for Dispute Resolution**

**1:30 PM - 3:00 PM EST**

The event will feature a discussion about accelerating change from our blind spots of community, diversity, access, representation, bias and culture in dispute resolution in Canada and abroad.

## **CIArb Canada Branch 9th Annual Symposium**

**3:30 PM - 6:00 PM EST**

The Symposium will feature a keynote speech followed by the Award presentation and virtual cocktail hour. We are pleased that the 9th Annual Symposium will feature J. Brian Casey as a keynote speaker.

**Sept  
20**

## **International Institute for Conflict Prevention & Resolution**

**11:00 AM - 1:00 PM EST**

The first panel will discuss holistic approaches to dispute resolution and prevention. The second panel will discuss traditional reasons why the banking sector has not used arbitration to resolve disputes.

## **ADRIC Arbitration Forum**

**2:00 PM - 5:30 PM EST**

Panel topics will be case management arbitration, funding, and legislative reforms. Key-note speaker Bill Horton will offer us his views on challenges and opportunities regarding commercial arbitration in Canada.

**Sept  
21**

## **Western Canada Commercial Arbitration Society**

**2:00 PM - 4:00 PM EST**

The Western Canada Commercial Arbitration Society Program will feature an opening presentation and Q&A period, followed by two consecutive panels. Topics include the biases in adjudication in the age of Zoom and The arbitration record – what is and is not part of the record in an arbitration hearing.

**Sept  
22**

## Vancouver International Arbitration Centre

4:30 PM - 5:30 PM EST

VanIAC will host a discussion of its new international arbitration rules, followed by a presentation of the following VanIAC awards to recipients: (1) Excellence in Arbitration, and (2) Acknowledgement Significant Contribution to VanIAC.

## Toronto Commercial Arbitration Society

11:00 AM - 1:00 PM EST

TCAS will host an expert panel on drafting arbitration clauses and agreements to learn how to ensure your arbitration does not contain traps for unwary, and your award survives any attempt to overturn it or set it aside.

### Experts Panel

11:00 AM - 1:00 PM EST

Join us to hear what the experts have to say about preparing their reports and educating the tribunal to get the most from their evidence.

## Young Canadian Arbitration Practitioners

3:30 PM - 5:30 PM EST

The YCAP knowledgeable panel will offer a thematic survey and discussion of changes that continue to affect the way arbitrations will be conducted. The three main topics of discussion are: Transparency, The Talking of Evidence, and Canadian Trends and Developments

## ICC Canada Annual Conference

10:30 AM - 2:30 PM EST

The first discussion will explore international arbitration as a transnational system of justice and arbitral institutions as its backbone. The role of AI in the adjudication of disputes and the (un)settled status of regulation of third-party funding in international commercial arbitration will also be discussed.
